

Summer 2021 - Handa's Surprise

As part of our Literacy lessons at the beginning of the summer term, we read the story **Handa's Surprise** and talked about all the different types of fruit mentioned in the story. We had a class discussion about our favourite fruit and where each fruit comes from. We looked at the world map and found all the different countries our favourite fruit comes from.

We chose our favourite fruit and made a delicious fruit salad. 😊
