

Sunningwell Primary School

Welcome Back – September 2021

Dear Parents/Carers

We do hope that you had a lovely summer holiday, and we look forward to seeing the children tomorrow, Thursday 2nd September.

Before we return tomorrow, please read below some update information.

Access to School

- School will be open from 8.40am in the morning and finish at 3.10pm for all children*.
- Children and parents should enter and leave via the pedestrian gate. The one-way system will not be in force.
- We are hoping to maintain the drop and go. A staff member will be on the gate each morning from 8.35am – 8.55am to support this.
- Face covering no longer need to be worn by parents on the school grounds.
- Children should be encouraged to come into school independently. If required, parents may drop children off at their classroom gate (where applicable)
- Parents are not permitted to enter the school building
- *Reception children may attend for half days on Thursday/Friday of the first week.

Measures in school

- In school we will maintain hygiene protocols particularly handwashing and enhanced cleaning.
- The school will have to remain well ventilated so please ensure children have extra layers to wear in class.
- If a child shows any signs of illness, please consider whether it could be COVID related and get a PCR test. The child should not attend school until a negative result is received.
- If a member of your household tests positive for COVID please contact the school office via email.

All measures will be reviewed regularly based on information from the local authority and the government.
