Friday 13th
Wed 18th -Friday 20th
Friday 27th

Monday 30th - June 3rd

SATS – Year 6
Non-Uniform Day – Exvac Fundraising
Class 4 Yowlbury Residential
Jubilee Celebration Day
End of Summer term 1
Half term holiday

Open Day

Our school has been in the current building for 50th years and moved in on May 1st 1974. We will be holding an Open Evening for all past and present, students, parents and staff on Friday 10th June from 4.45.

In the evening, we plan to hold an event that will involve the children so we do hope that you can all attend.

We would like some help with organising and running activities that night – if you can help, please contact the School Office.

Change of Dates

Please note that the Summer Celebration planned for July 18th will now be amalgamated into the Open Day event on June 10th.

The Swopping Event will now take place in the autumn.

Left Property - bikes

We have had two bikes which have been left in bike racks for some time. If they are yours, please remove them. If they are not claimed, they will be removed and suitably disposed of – Thank you.

After School Clubs

The online booking for the clubs has been successful and we are now in a situation where some sessions are fully booked this term. If you do not need a session that you book, you can change the booking up to the day before. This will allow other parents/carers to book those sessions. You will be charged for sessions, even if your child does not attend the clubs that have been booked.

If you rely on clubs for childcare, we encourage you to book any sessions you require as soon as possible to avoid disappointment.

If you were booked for a club on the day of the school closure, Thursday 28th May, your club account will be credited for the clubs booked.

Staff Changes

Mrs Cowley has retired after many years of service as a volunteer, Chair of Governors, and as a member of school staff. We wish her well in her retirement, she will be very much missed.

School Uniform

Please can we remind you all of the requirements for school uniform. Children can wear trousers either grey or navy, not jogging bottoms or leggings, please. Children need a navy jumper/fleece/ cardigan and should not wear sports tops to school. Children should wear school shoes, not trainers. Slippers may still be worn inside the school during the summer months.

Street Tag

Having won the 1st season of Street Tag, we are now in the finals of the Oxfordshire Schools Street Tag.

We are currently in 2nd place after a tremendous effort from our 'taggers'.

We do need your help – to join Street Tag, download the app and scan our school code. You can collect 'tags' while out for walks and cycle rides and they all add points for our school. Please help us to become Oxfordshire's most active school. Go Team Sunningwell!!!

School Times

The school opens at 8.40am and there are learning activities taking place in each classroom every morning. We would encourage children being in school at 8.40am so they take full advantage of the opportunities for learning available to them.
