

Towards the end of the summer term, we had a very special visitor in Class 1, Mrs. Zahida Abassi. She talked to the children about what it is like to be a Muslim and how Muslim people pray and fast. She brought in the Quran, a prayer mat and some traditional clothes. She read us a story about respect and showed us a picture of a Mosque. She talked about different Muslim festivals and how people celebrate them. She also surprised us with some very special treats: dates from Mecca. Thank you, Mrs. Abassi!
